

THE **150 BEST**  
**FINANCIAL ADVISERS**  
FOR **DOCTORS**

*11 Consecutive Years*

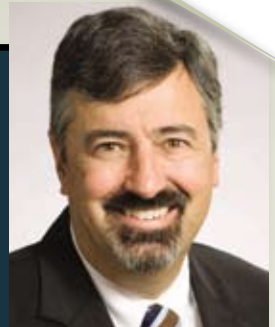

**Lawrence E. Howes MBA, CFP®**,

Sharkey, Howes & Javer, has been named one of "The 150 Best Financial Advisers for Doctors," by Medical Economics for eleven consecutive years. Mr. Howes is one of just two Colorado advisers recognized this year by Medical Economics and he is the only adviser from the Denver area.

Lawrence Howes has been on the Medical Economics' exclusive list of Top Advisers for Doctors since 1999. He is a founder and principal in Sharkey, Howes & Javer, and has provided financial advice, portfolio management, and business and retirement planning to physicians, individuals and businesses since 1986.

Sharkey, Howes & Javer has been a financial planning provider to members of the Colorado Medical Society since 1998 and the Colorado Dental Association since 1993 and Howes frequently provides those associations with articles about financial topics for their member newsletters and journals.

Howes serves on the State of Colorado Department of Treasury, Investment Advisory Committee, overseeing the management of the State's investment assets. He also serves on the Investment Committee of Pinnacol Assurance overseeing the management of its assets.
